25th January 2022

Dear Parents/Carers,

Over recent weeks, we have been made aware of increasing concern in the community regarding parking around our school.

We understand that drop-off and collection can be busy times and as parents, we often feel in a rush. However, the safety of all members of our community is paramount and we must do all we can to ensure any risks are reduced.

When parking for drop off and collection, please ensure you are parking safely and legally, checking that other vehicles have room to pass by (especially emergency vehicles) and that residential driveways are not blocked. Before opening doors or pulling out, please take care and check around you for pedestrians and/or other passing vehicles.

As you know, the roads around school, particularly Emsworth Crescent can get very busy with cars as well as parents and children on foot so please drive slowly and carefully.

We are very fortunate to have the large car park at Morrison's for parents to park in just a short walk away. We would encourage parents to make use of this car park to reduce congestion around the school gates.

So far, we have been lucky to only have experienced 'near miss' incidents. I hope that we can work together, to avoid any serious injury being caused.

Thank you for your support and understanding with this matter.

Best wishes,

Mrs J. Ferretti
Headteacher.
