Dear Parents/ Carers,

Reading Rewards

I write with VERY exciting news! This week in school, we have launched the St Paul's Reading Rewards! We know that children who read lots, experience the most amounts of success with their learning across the curriculum. So, to promote and incentivise positive reading habits, children will now be rewarded for books they complete.

For every ten books children complete, they will receive a precious gem to stick in their treasure chest, which will for now be kept in school.

Every time children earn two precious gems, they will be allowed to select a free book to take home from the school treasure chest, located in the main entrance. This book will be theirs to take home, keep and treasure!

We have adapted the number of books that Year 5 and 6 need to read, to ensure they experience success with longer chapter books.

To support your child in achieving rewards, please:

- Ensure your child is reading for at least 10-15 minutes daily.
- Listen to your child read 1:1 as frequently as you are able to.
- Sign your child's Reading Record as often as you are able to.
- Make reading time at home special and cosy.
- Take an interest in what your child is reading and ask questions about it.
