29th March 2022

Dear Parents/Carers,

We are delighted to have launched our new online payment system 'School Gateway'. The system will enable you to make payments more easily and manage your child's bookings and permissions for school trips and clubs. You can add funds to your dinner money balance in advance as well as make one-off payments.

All children whose parents sign up to the app by Monday 4th April will be entered into an Easter prize draw. A winning name will be announced on Friday 8th April.

When we return from the Easter holidays, all payments, bookings and consents will be made through School Gateway and the office will no longer be taking cash payments. If parents do not have the facility to make payment through the app, a barcode will be provided for you to make payment at a PayPoint.

Bookings for Alpha and Omega (breakfast and afterschool care) may continue through the weekly booking form for the time being until this is set up on Gateway. Payments will be made via the app. We will keep you updated once we are able to launch club booking via the app.

You should have received an email from school last week with information on how to set this up or, see below. If you need any assistance, please contact the school office.

Best wishes,

J. Ferretti
