Monday 22nd November

Dear Parents,

As a staff, we were very much looking forward to once again holding traditional Christmas events such as the Christmas nativities and performances this year and know that many parents were looking forward to them also. Unfortunately, with cases nationally and locally still so high, we have taken the difficult decision not to hold live performances for parents this year. The risk of having parents collectively into school to watch the Christmas performances is too high and as always, the safety of our school community must be paramount.

Instead of live performances, children will still practise and perform a nativity or concert. This will be filmed in school and shared with parents via an online link.

We require parental consent for your child to be included in the recorded performance which can be given via [this form](#). We ask that all parents complete the form by Friday 26th November. Children without consent will not be included in the filmed performance but will still be able to take part in practises with their friends.

The link to the recorded performance will be shared via text to parents during the last week of term.

Apologies for the disappointment this may cause but thank you for your understanding and support.

Best wishes,

Mrs J. Ferretti
Headteacher.
