Dear Parents/Carers

Schoolgateway

Thank you to parents who have started using our School Comms Gateway app. As you know, all payments and many bookings and consents will be made via this app from now on.

If you haven't yet set up the app, please email the school office stpaulsprimaryschool@wolverhampton.gov.uk as soon as possible and confirm your email and mobile number (please state your child(ren)'s name(s) and year group).

If you require another link, the office will be able to generate one for you. Likewise, if you require any support in setting up the app and getting started, please do ask and we will be happy to help.

On Monday 23rd the school photographer will be in school. Unfortunately, unless we have parental consent via the app, we cannot include your child in the class or group photos.

We also have a special Jubilee lunch coming up – you will need access to the app to order your child's lunch should they want one.

As above, please ask if you would like any help in getting started!

Best wishes,
J. Ferretti
(Headteacher)
