Dear Parent/ Carer

We are pleased to have organised a Level 1 cycling training for our Year 4 children. This session will involve the children completing a two hour, off road introduction to cycling session on the school playground. The sessions will take place over 3 consecutive weeks. Sessions will be carried out by cycle trainers from Wolverhampton City Council's Road Safety Team.

Could you please give consent via [this form](#) and indicate if you have a road worthy bike.

The dates and times for the cycle training sessions are as follows:

Date for Training is Tuesday 8th and Wednesday 9th April

Please ensure that your child brings a roadworthy bike (with both brakes fully functioning) on the above date. If your child's bike is not roadworthy they will not be able to participate. Your child must be able to ride a bike without stabilizers and will be unable to take part in their level one training if they are unable to do so. We would also encourage your child to wear a cycle helmet if they have one available. Please also ensure your child has suitable waterproof/ protective clothing on training days. If the weather is forecast to be hot/sunny, please apply suncream in the morning.

If your child does NOT have their own bike, please indicate this on the form.

Please contact Ms B Clarke at the school should you have any enquiries relating to this course. For more information on Bikeability Cycle Training please visit: [Bikeability Plus - Bikeability Plus; a suite of courses to meet your needs](#)

Yours sincerely
