12th November 2024

Dear Parent/Carer,

We are delighted to invite you to spend some time with your child(ren) in school so they can show you their learning and what they do every day. I'm sure that when you asked about their day, you probably get the response; "nothing!"

When you drop your child off on Friday the 15th November please come in with them. Children will show you how they self-register and then you and your child can choose from the activities that are out. There will be stories to share and opportunities to be creative in the dough, write a message, play in the home corner and lots, lots more so come please and join in the fun!

Please complete the option on the Gateway app to confirm someone will be attending so we can accommodate everyone. If Parent/Carers are unable to attend, wider families members would be very welcome. These sessions will run monthly throughout the year.

We look forward to seeing you there!

Yours sincerely

B J Clarke
