

• 1 of the 4 elements of CONTEST, the Government's Counter-Terrorism strategy. It is a multi-agency response to support those most vulnerable in our communities.

• Safeguards people and communities from the threat of terrorism.

• Stops people from becoming terrorists or supporting terrorism.

• Safeguards children and adults by providing early intervention to protect and divert people away from being drawn into terrorist activity.

• Addresses all forms of terrorism.

Our school supports the PREVENT programme by:

- All staff completing PREVENT awareness training.

- Encouraging children to develop strong moral values of tolerance and respect.

- Helping children to be secure in who they are and therefore more-able to stand up for what is right and / or turn away from wrong.

Allowing our children opportunities to think deeply for themselves about the morality of political, racial, religious, gender and other issues in terms of equality, respect and potential extremism.

Teaching and promoting the Fundamental British Values;

**Individual Liberty, the Rule of Law, Democracy,
Mutual Respect and Tolerance.**
